Free Home Weatherization offered by PWC in OH and KY

Free service can save on utility usage; also offers services to veterans

CINCINNATI –People Working Cooperatively, a Cincinnati-based nonprofit that serves Greater Cincinnati, Northern Kentucky and Southeastern Indiana is offering free home weatherization to income-qualified clients in Kentucky.

Weatherization in the winter can reduce your energy bills and keep your home warmer, noted Nina Creech, PWC vice president of operations.

“Weatherization can save on energy usage up to 20 percent or more,” said Creech. Also, the waiting list for income-qualified clients is short, she noted. “Call now and we can serve you!”

All qualifying participants receive a furnace clean and tune, health and safety check, energy efficient light bulbs, and energy-saving tips. If needed, each participant can also receive a hot water heater wrap, weather stripping, pipe wrap and more.

PWC also offers home repair and weatherization services to veterans in Ohio and Kentucky.

To apply for the services or see if you qualify call **859-331-1991** or **513-351-7921** or apply online at **www.pwchomerepairs.org**.

About People Working Cooperatively

Incorporated in 1975, People Working Cooperatively (PWC) is a non-profit organization serving low-income, elderly, and disabled homeowners in 24 counties of Southwestern Ohio, Northern Kentucky and Indiana. PWC strengthens communities by providing professional, critical home repair, weatherization, modification, and maintenance services to help residents stay safely in their homes. In the last 38 years, PWC’s staff of licensed, trained employees and dedicated corps of 6,000 volunteers have assisted more than 250,000 individuals. For more information, visit www.pwchomerepairs.org or call (513) 351-7921.
