*\*Projects for vets (already counted in the numbers above)* 840

*\*Whole Home projects counted in Accessibility numbers above* 222

### 2021 Revenue

Source: Audited Financial Statements

### 2021 Expenses

Net Assets at End of Year \$7,635,194

# 2021 Impact Highlights

## Workforce Development Grant

PWC awarded the Bank of America Neighborhood Builder grant for workforce development. The \$200,000 grant will enable PWC to build and train its current and future workforce to meet the rising demands of the community.

## ASC Makes History

PWC's annual appeal raised a record \$228,280 in 2021, a 72% increase from just 5 years prior. These dollars represent some of the most critical funds at PWC, giving us the flexibility to fill funding gaps so as not to disrupt critical services for our clients.

## Virtual Campaign

More than \$180k raised for PWC's Modifications for Mobility program from past ToolBelt Ball sponsors and supporters despite no in-person or virtual event for the annual gala.

## WHIC Services to the Community

In 2021 Whole Home and the Innovation Center performed \$1,573,863 in direct services to the community, providing essential repairs and education on health-related housing issues expanding PWC's network of supporters, clients and collaborators.

## Virtual Home Launch

YourWholeHome.org, a brand-new virtual home experience launched by PWC's Whole Home Innovation Center, provides vital resources for homeowners, caregivers, and medical professionals to help keep homes healthy and safe at all stages of life.

## Veterans Telethon Success

PWC celebrated the 10th Anniversary of its "Ramp it Up for Veterans" campaign on December 7th. Since its inception, PWC has raised over \$2.5M to assist veteran families so they are able to live safe and healthy at home.

## Volunteer Impact

517 volunteers donated 2,214 hours of service to complete approximately 50 home repair projects for the 39th annual spring Repair Affair and 1,279 volunteers (100+ individual groups) donated approximately 5,842 hours of service to assist nearly 600 homeowners for the 35th annual fall Prepare Affair event.

## City – Wide Resource Launch

PWC/Whole Home Innovation Center launches first "City-wide" website in conjunction with U.C. Health for at-risk patients to attend evidenced-based fall prevention classes to reduce their risk of injury as well as provide them greater mobility, confidence and independence as they age.
